Overseas Subsidiaries	4,450	3,759	691	18.37	

⁽X) Regarding the consolidated financial forecast for the fiscal year ending March 2022, it is difficult to calculate an accurate financial forecast because it is not possible to reasonably estimate the timing of the convergence of New Coronavirus Infection(COVID-19). Therefore the forecast is considered the apparent impact of COVID-19 only. The forecasts may change depending on the convergence of COVID-19 in the future.
